

AN ISO 9001:2008 CERTIFIED COMPANY

SEVANA Shrink Tunnels

Sevana's shrink tunnels offer you the best solution to give added value to your products. Shrink wrapping protects your products against scratches, dust and pilferage. Bundle your product or give it some extra gloss with a strong, tight, tamper-evident overwrap. Sevana's shrink tunnels are equipped with microprocessor based digital controls. Shrink tunnels can be attached to wrapper, L-sealer or other equipment.

SEVANA Shrink Tunnels

| Microprocessor based | Energy efficient | Digital display | Variable speed conveyor | Four preset programs | One touch shut down | Sturdy and heavy gauge design | Electrical protection system
